*See warranty for details.

Multi-channel

Home Automation Technology

Use the Somfy® myLink™ app to turn your smartphone or tablet into a sophisticated remote control for your motorized products.

Automation

A photograph of a modern pool enclosure. The structure features a curved stone hot tub in the foreground, with a small waterfall. Three people are relaxing on lounge chairs: a woman on the left and two children on the right. The enclosure has large glass windows and a glass roof, with white motorized screens partially rolled up. The background shows a lush garden with palm trees and a body of water.

AUTOMATION TECHNOLOGY.

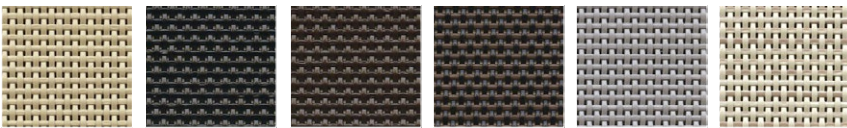

A modern courtyard featuring a swimming pool in the foreground. The pool is surrounded by a light-colored deck. In the background, there is a covered patio area with large windows and a pergola structure with a dark metal frame and a brown, corrugated metal roof. The patio area is furnished with outdoor furniture, including a table and chairs. The overall atmosphere is bright and sunny.

SOLAR. SUN.
INSECTS.

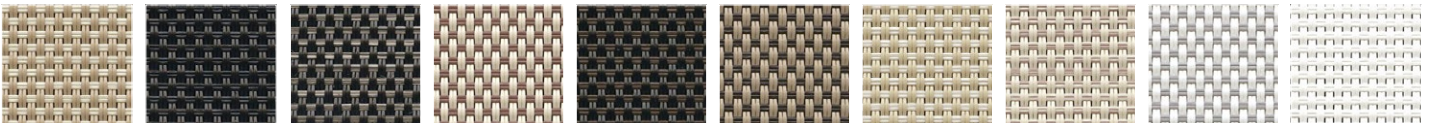

SCREEN OPTIONS.

Now you can enjoy the option of privacy and protection from the sun, while keeping out insects in the comfort of a beautifully screened porch, patio, lanai, balcony, or even garage!
